KEEP UPDATED WITH UB THROUGH REMIND TEXTING SERVICE

We invite all students and parents to keep abreast of the latest UB news by signing up for the text alert service. The text alert service is used frequently this time of year when meetings can be cancelled for weather related reasons.

To sign up for text alerts:

1. On your phone, create a text to this number **81010**
2. Text the message: @ubinfo

All JUNIORS & SENIORS who did not take the ACT in October or December 2018, need to be registered for February or April 2019.

TRIO Program Assistant

REMEMBER THAT STUDENTS ARE EXPECTED TO ATTEND ALL MEETINGS UNLESS THE FOLLOWING CRITERIA ARE MET

- Student is absent from school due to illness
 - Student has a prearranged excused absence from school
 - Student is participating in a school-sponsored extracurricular activity **AND** you can only be excused for extracurricular activities if ALL your grades are a 'C' or above
- **Students are expected to notify UB staff in advance of any expected absence AND**
- **All UB students must attend at least one full UB meeting every 4 weeks, regardless of extracurricular involvement**
- ***Unexcused absences may result in the loss of program services***

We are very excited to welcome 38 students from 8 area high schools to Upward Bound for participation starting in January 2019.

NEW STUDENTS AND PARENTS:

If you have not already, **please submit** any paperwork that is missing **immediately** to our office so that you may continue in the program. This paperwork was given to parents at the new student/parent orientation meetings (or sent home with students).

Below is a listing of required paperwork:

- ◆ Parental Release **students cannot be transported without this form on file**
- ◆ Program Commitments, Technology Policy, & UB Commitment Contract
- ◆ Medical History & Student Health Center Form
- ◆ Vaccination records

Parents who attended the orientation meetings have already completed and returned the first 2 forms. All medical history, health center and vaccination records forms were sent home (with a UB-addressed, post-paid envelope) for completion. If you need another copy of one of these forms, simply let us know and we will be happy to send you a duplicate. If you have any questions, please call 660-785-4244, email ubub@truman.edu or message us.

RIGOROUS COLLEGE PREPARATORY CURRICULUM

As an Upward Bound participant, **you are required to take a rigorous college-preparatory curriculum** and the **amount of your UB stipend is contingent upon it.** *Why?*

The course of studies students take in high school is one of the most important factors in determining who succeeds in college.

College admissions personnel look closely at the classes students take, particularly in their junior and senior years of high school, to assess whether a student is serious about going to college and willing to make the hard choice to take classes that will academically prepare them for college. Several state institutions now *require* (not just recommend) that a student have completed these courses to be eligible for admission. Additionally, some are recalculating grade point average (GPA) for just these courses to determine admission and scholarships. This could drastically impact your admission and scholarship offers for college.

Plus, a rigorous college-prep curriculum gives students the academic foundation they need to tackle college-level classes. A rigorous college-prep plan for high school will include:

- ⇒ 4 Years of English
- ⇒ 4 Years of math (including Algebra I & II, Geometry), with a math course taken during senior year
- ⇒ 3 years of lab science, including one year each of at least two of the following courses: biology, chemistry and physics
- ⇒ 3 years of social studies
- ⇒ 2 years of a language other than English

Plan for your college success by scheduling your high school classes so you meet these requirements!

*Don't forget:
these
important
dates*

FEBRUARY 23

Senior Seminar Day for **ALL seniors**: on Truman's campus; lunch provided.

MARCH 20

CAMPUS DAY—All sophomore and junior students spend the day on Truman's campus to get acquainted and prepare for summer session. See your guidance counselor for transportation details.
